ACHIEVEMENTS

- January 2024: Global Games Jam 2024:
 - I attended Global Games Jam 2024 with my college Setu, and I was able to pitch a Game idea, which was picked to develop my game idea and won an award for best game audio and posted our game on itch.io called Sadness Crusade.
- October 2025: Wexford Tech Talk:
 - In the 3rd year of college, I developed a game that was picked up by Wexford Co Council, and I was the only undergraduate that was presenting my technical achievement of making a video game.
- April 2025: Personal Web Game:
 - During my attendance in SETU University, I Designed + Programmed + Developed My own web game that is currently available on my portfolio and was later picked up by the Creative Ireland Team from Wexford Co Council to continue + support development of my game.

HOBBIES AND INTERESTS

- I love to Travel to different countries and experience new cultures and meet new people.
- My passions are learning new languages, drawing, playing video games, designing video games, going to the gym, and going for walks around my local track
- Genuine interest in **Technology + Computer Programming** since Secondary school and I look forward to pursuing a career in this area.
- In my spare time I like to code on visual studio community using Godot engine and code personal projects e.g. Video Games + Personal Website.
